

Abacus Payroll, Inc.

Dial in Business Basics

Reduce inefficiencies and get time back to support business growth by empowering employees to track time accurately and completely. The TC Basic Time Clock is a revolutionary fingerprint time and attendance device which incorporates the latest technology with a completely new design.

Configures seamlessly into our time & attendance web-based applications for fast and easy management.

Supervisor override with interval checking to prevent time punches within the same time period.

Technical Specifications

Bright, Bold Aesthetic

2.7" display
Dimensions: 7.48 x 1.81 x 5.51 in.
Modern design and UI

Robust Hardware

Revolutionary SilkID fingerprint sensor
Multiple verification modes: fingerprint, card, password
1.2 GHz high speed CPU memory
128MB RAM
256MB Flash
Operating temperature 0°C – 45°C (32°F to 113°F)
Operating voltage 5V DC
Capacity
· 5,000 fingerprints
· 15,000 cards
· 100,000 transactions
TCP / IP
USB Host / Client

Employee Engagement Functionality

Supports department and job transfer
Employees can use self-service functions to:
· View accruals
· View time card
· View schedule

Versatile

Supported Options: SilkID Fingerprint Biometrics, Proximity, Pin
Will offer Prox ID Cards or Prox ID stickers
Easy to fit modules and peripherals including:
· Contact-less smartcard readers: Including Mifare
· Proximity card reader: Including HID Proxy

Adaptable

Hardened Linux OS
Flexible connectivity options including:
· Ethernet

Simple Management

Interval checking to prevent time punches within the same time period

Employee Name	Department	Hour 1 (8:00-12:00)	Hour 2 (12:00-5:00)	Hour 3 (8:00-12:00)	Hour 4 (12:00-5:00)	Hour 5 (8:00-12:00)	Hour 6 (12:00-5:00)	Hour 7 (8:00-12:00)	Hour 8 (12:00-5:00)	Total
